this costing Rs 65 per mensem or Rs 780 per annum was sanctioned for each of the Central Records. Sanction has also been accorded to the establishment working in the Shemoga Division being transferred to the Bangalore Division. to be dispensed with after ~~the~~ ~~end~~ June of as the work in the former Division was said to be approaching completion & there was considerable arrears in the latter Division.

2 It is now represented, that notwithstanding hard work on the part of the temporary hands there are about 25 lacs more of records to be sorted in the Bangalore Division. The progress made in the Mysore Division has not been reported. It is not clear whether Sanction is solicited to the retention for a further period of one year of the temporary hands sanctioned for the Bangalore Division alone or of the whole establishment, thus entailing an additional cost of Rs 2340 per annum - Considering the amount of arrears that still remain & the work that is turned out by the hands working in the Bangalore Division the latter seems to be the case -
